

take a sample card to your nearest print center and match them up with their colored card stock.
print these 2 sheets as a 2 sided copy on each of the colored cardstock sheets (blue,yellow and green)
cut out the correct cards for each deck and throw away the wrong colored cards.
for personal use only, not for resale.

ballot war!

The latino vote is in!
all players immediately lose
all of the cards in their hand.

photo op!

Distracted, again!!
play this to neutralize any
Border Patrol card
played against you

presidential visit!

In 5 minutes!!!!
play this card on an opponent,
if they have less than 2 cities in
control, they lose their next turn

siesta!

Take a break, it's the law!
all players immediately move to
the "sleep. all is well. space.
you take another turn!

tourists!

Which one of them are terrorists?!
place in front of a player.
they cannot draw any cards until another
player lands on a Border Patrol space.
then card is discarded and they can
resume drawing cards

instant funding!

Just get it done!
play this card instead
of rolling dice to move-
go directly to any space

border war!

What did you expect?!
all players roll a die for each
city they control. on a 1 or 2,
their city token is removed!

federales!

**Right uniform color, wrong
language, hombre!!**
play this to reverse the
Border Patrol card played against you
back on the player who played it

controlled

any city

Occupy the wall!
choose any controlled city and
remove it's peg. place a penny
on that city, it cannot be controlled
for the rest of the game

vampires!

**That's why they make so many
vampire movies!!**
any player NOT on a mexico card
space loses all of the cards in their
hands unless the control one of these
cities: Tijuana, Nogales, Presidio or Del Rio.

photo op!

Distracted, again!!
play this to neutralize any
Border Patrol card
played against you

zombie attack?!

(It had to happen!)
play this card on an opponent,
if they have less than 2 cities in
control, they lose all their cards
in hand
